Hi Sarah, Clayton and Allison,
Thinking of you guys today - these are some crazy crazy times and I'm sure you guys are slammed. Let me know if there's anything we can do to help. Just wanted reach out and say that I do hope and trust that the board won't be bullied into this charter cap - it's the first step in killing charters and there's no good argument for it. LAUSD is nationally acclaimed by the Credo Institute for excellence in authorizing and oversight - there's no good argument for this. Most importantly, too many kids don't have access to an excellent school of any kind - until that problem is solved we can't cut off choices to the families that need them the most. Thanks for all you guys do - please know how much it's appreciated and let me know if there's anything I can do (or my school community can do) to support.
